American Numismatic Society
Broadway and 156th Street
New York, N.Y.

Att: Mr. Robertson
Assistant Curator

Gentlemen:

In connection with the maiden sailing of the Queen Mary from Southampton to New York, a medal, specially designed, has been struck off by the British Mint to commemorate this event.

In view of the fact that I understand your organization has a collection of medals, it occurs to me that you might like to have one of the special Queen Mary Medals, the first to arrive in this country, to add to your collection.

If you are agreeable, we shall be pleased to have a copy of this medal presented to yourself or one of the other officials of your Society, by one of the officers of the Queen Mary on her next visit to port. This would take place on the ship sometime next Tuesday at an hour to be mutually agreed upon.

Will you kindly let me know as soon as possible your wishes in this matter?

Very truly yours,

Edmund P. Roberts
